

**Friends of Moulton Park  
Wakefield, Massachusetts**

In June 2011, the Wakefield Board of Selectmen authorized the creation of a Friends of Moulton Park Committee to oversee the replacement of the existing playground equipment at Moulton Park.

The new playground will have fun, imaginative equipment made of recycled plastic and will meet all playground safety requirements. The committee expects that the new playground will be built in September of 2012 by the hands of community volunteers.

To make this possible, the committee needs to raise approximately \$85,000. A fundraising campaign is underway which includes the ability to purchase personalized bricks, hopscotch squares, benches, and picnic tables to be installed at the new playground.

The committee is excited about the progress thus far and is grateful to the many people who have already contributed to the project, whether financially or by volunteering their time. Please help support this worthwhile project that provides a friendly and safe area for our children to play outdoors. You can learn more by visiting its website at [www.friendsofmoultonpark.org](http://www.friendsofmoultonpark.org) or e-mailing [friendsofmoultonpark@gmail.com](mailto:friendsofmoultonpark@gmail.com)

Anyone wishing to make a **tax-deductible** donation can do so on the committee's website or by sending a check made payable to the *Town of Wakefield* with *Friends of Moulton Park* in the memo line to: Friends of Moulton Park, c/o Department of Public Works, William J. Lee Town Hall, 1 Lafayette Street, Wakefield, MA 01880.
