WHERE: Lynnfield Middle School  
505 Main Street  
Lynnfield, MA 01940

PURPOSE: The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Rail Trail Extension project within the towns of Lynnfield and Wakefield. All views and comments made at the hearing will be reviewed and considered to the maximum extent possible.

PROPOSAL: The proposed project consists of constructing a shared-use path for pedestrian and bicyclists along an abandoned railroad corridor, beginning at the Main Street/Bennett Street intersection in Wakefield and extending northerly through Lynnfield to the Peabody city-line. The proposed trail is approximately 4.4 miles long and consists of a 10 to 12-foot-wide asphalt surface for about 2/3 of its alignment and elevated boardwalk through the Reedy Meadow and low areas within the floodplain. The project also includes paved parking areas, safety improvements at roadway crossings, new signs and pavement markings and landscape enhancements.

A secure right-of-way is necessary for this project. Acquisitions in fee and permanent or temporary easements may be required. The towns of Lynnfield and Wakefield are responsible for acquiring all needed rights in private or public lands. MassDOT's policy concerning land acquisitions will be discussed at this hearing.
