Brook Street (from Hopkins Street to Cul-de-sac) Roadway Improvements

Beginning the week of September 18, 2017 the Town will begin roadway improvements to a portion of Brook Street (from Hopkins Street to the Cul-de-sac). We apologize for any inconvenience this may cause. The goal is to complete all three phases of the project by November 15th or sooner (*weather permitting*). During some of the work phases you will receive updates which will provide more details and schedules. If you have any questions, please contact *Don Schneider, Highway Supervisor at (781) 246-6314 or Eric Sherman at (781) 246-6308, Monday through Friday, 8:00 am to 3:00 pm.*

Please note: there is a five year moratorium on non-emergency roadway excavations once the work is completed.

We apologize for any inconvenience the work may cause, however, the improvements will be beneficial to the area. Thank you in advance for your cooperation!

Richard Stinson
Director of Public Works

Informational

- Phase 1 – Tuesday (9/19/17) from 6:00 am to 5:00 pm - Milling of the existing roadway surface
- Phase 2 – Adjusting and Repair of Roadway Structures – date to be determined
- Phase 3 – Roadway Paving – date to be determined
- Phase 4 – Where necessary, traffic markings, curbing Repair, sidewalk repair and driveway aprons

Notes

- (1) *During certain phases of the work, No parking will be allowed along the road from 7am to 5pm.*
- (2) All work is weather permitting. In the case of rain, the schedule will be moved up one day or until the weather clears.
