

-NOTICE-

Wakefield Water Department

Water Main Shut Down
October 27, 2017 9:00 am – 4:00 pm

Ventresca Construction will be installing 3 new water main gates on Nahant Street as part of the Mount Pleasant Avenue water main replacement project.

During this work the water will be shut down on the following streets.

NAHANT ST (Melvin St to Raven Rd)

VALLEY ST (Nahant St to Hart St)

MOUNT PLEASANT AVE (Houses #1 through #12)

EVERETT ST (Only House #8)

KATHLEEN DR, MOLLY CIR, LILAH CIR

Nahant Street will be open to traffic during this work.

Water will be shut down from approximately 9:00 am until 4:00 pm or until completion.

Initially, when the water is turned back on, you may experience temporary discoloration. Running the cold water for a short period of time will clear the service line.

We will do everything possible to expedite this repair and minimize any inconvenience.

Thank you for your cooperation during this necessary maintenance function.

For more information please contact Todd Baldwin, DPW Engineering Division At (781) 246-6308 or Steven Fitzpatrick, DPW Water/Sewer Division at (781) 246-6318.
