Meeting Location: Virtually Through Zoom setup and posted by Town of Wakefield

Members present: Caroline Lieber, Ira Cummings, Lori Dupuis, Stephanie Martinovich, Diana Kennedy

Members Apologies: Sarah Guerin, Colleen Getty, Jamie Hale, Kathleen Cain

Agenda Item #1: Priorities Survey

Caroline shared the results of the survey. The committee discussed how to get more publicity about what the WAC does and the different programs that are available. Diana offered to take on more publicity on Facebook to keep the community aware of the grant cycle and write online updates.

We discussed that Twitter and Instagram won't necessarily help

The priorities were discussed and a few items were added:

- Programs that have a tenable link to Wakefield artists, culture, and history
- Programs that represent a variety of mediums and formats
- Programs that align with the survey opinions expressed by the community
- Predetermined venues and timelines are highly encouraged

Agenda Item #2: Vote on Priorities

All present voted to approve

Diana will work on the wording before we publish online

All present were reminded to go the new Mass Cultural Council site to form their password. Caroline will forward the email.
