

Meeting minutes 10/14/2021

8:45 pm

Attending: Caroline, Ira, Sarah, Stephanie, Lori, (Elly Tropeano as our student liaison to Youth Council)

Caroline introduced Elly Tropeano, our Youth Council liaison. Each member present introduced themselves.

Caroline informed the council that we have \$11,700 given by the state to award. We can use up to %5 of that on administrative costs. The money that is not used will go back into next year's money available for granting.

We discussed making a banner for a table at the farmer's market or the festival by the lake.

We discussed food for a reception, perhaps goodie bags. We are not sure if we are allowed to spend the money on food. Caroline will ask Timothea.

We voted to set aside \$350 for administrative costs and to discuss the specifics in our next meeting.

All members present voted in favor.

Caroline screenshared the Financial Report form that we fill out each year and entered the \$350 for "Administrative Funds"
