<b>Review of ESC Social Media &amp; Email Engagement</b>	We discussed the setup of an Instagram account but failed to complete the necessary steps to connect it to the Wakefield ESC Facebook page and will need assistance from Jenn MacDonald. Facebook posts continue.
<b>In-Person Events</b>	Positive review of the Food & Climate event that took place on May 3 <sup>rd</sup> , which was recorded and shared. Very positive review of the in-person tour of the Materials Recovery Facility (MRF) on May 31 <sup>st</sup> , and interest in doing that again for some who could not attend. Discussed potential topics for additional in-person events.
<b>Other Ideas</b>	Discussed other ways to engage students and young people, such as short-form video (should be doable through Instagram once that account works). Discussed presence at Farmer's Market.
<b>Topics Not Anticipated</b>	None
<b>Next Meeting</b>	Monday, July 17, 2023.
