

WHRC Hispanic Heritage Sub-Committee Meeting Thursday, Oct. 7th by Zoom

Present: Teresa Aravena-Gonzalez, Sherri Oken

Absent: Maria Muti, Ina Coveney (public)

The weather looks good for an outdoor event (fingers crossed).

Promo

- Flyers have been distributed to businesses around town and to the Library.
- The flyer looks great on the Town's digital displays. They will be posted in the kiosks when there is room.
- We are re-sending the flyer to the Library and asking them to update the information they are posting and sending out. The calendar and information they have sent does not include the diversity of performance, just mariachi.

Schedule

- Our committee agreed that the order of performance should be dance, mariachi and then Party with Charly. The performers actually suggested that we start with Charly who is planning on being here early. Teresa will confirm with Veronica.
- If we have to move indoors, the entire event has to be in the Gold Room, not in the lobby.

Sound and Light

- The dance group has the speakers and microphones, and they can set up for Veronica (to be confirmed that with Veronica).
- Teresa has a large light and Sherri can provide additional flood lights on stands, outdoor extension cords and multi outlet surge protectors.
- Committee members are asked to bring strung lights to decorate the railings of the plaza.
- Set up begins at 5 p.m. on Thursday.

Minutes respectfully submitted by Sherri Oken
