  - Choices:
    - quote
    - I am the only american indian
    - Leaks
    - My grandmother sophia
    - Invisible Indians
    - And illustrations

Other events to promote and other posts to make

- We can make a FB post promoting the many IPD events that are going on in other towns that Heather from IA4IPD shared

Next steps:

- Benny will send #NotYourPrincess readings to Teresa to see whether she's more interested in doing that one or the Hiawatha one
- Raffa will send links to go along with the Peacemaker reading
- Nicole will send her reading on Friday
- Benny will make a post leading up to the weekend with cross-promotion for IPD events in other towns
- Elena will get back to Benny this weekend with any more information from the Bayrds
