WCAT will show past MLK/CSK events on 1/17.

WCAT will also show our upcoming virtual event:

All documents and filming should be done horizontally. They would like at 10 day working period.

There was a question if we could hold something on 1/17. HRC could do a flag pole meeting? We discussed the weather and do we have enough in place to hold an event. We agreed we don't have enough time.

Talked about promoting other towns and local virtual events being help on 1/17.

Benny will draft a FB post to reflect events.

We will still do a collection for items to donate to local shelter. We will send a request to collect:

Toiletries, gloves, socks, hats.

Can we leave a box at the Public Service/Police Station.

(Nicole reached out to OFC. Rando)

Permission was granted to leave box at Public Service Building.

Nicole will drop off the box and collect items on Tuesday.

Discussion about nominees/awardees.

Question to Benny about wording about who decides who gets award. The wording says that HRC makes decision on winners. Winners will be presented to WHRC at next meeting for a vote of acceptance.
