# 1. Administrative Actions Remaining Potential Costs

- Realistically, we have ~\$121,833.09 to spend because the DPW Supplemental Funds of \$54,000 were never transferred to the Project Budget.
- The highlighted invoices and proposals which total \$114,547.04 are recommended for approval to pay or to proceed with work.
- This leaves only the two proposals for WPD & WFD for duct cleaning. The Town may be able to get better pricing for this work and could fund it out of their Operations & Maintenance budget.
