Monthly Report for February 2023

Prepared by Sergeant Jon P. Burnham

Chief of Police

WAKEFIELD POLICE DEPARTMENT OFFICE OF THE CHIEF

One Union Street, Wakefield, Massachusetts, 01880

February 2023 Highlights

On February 12th, Sergeant Ryan and Officer Wilson responded to a disturbance at a residence on Water Street. Upon arrival, they observed a male on the roof of the house. They attempted to establish a dialogue with the subject but found him to be speaking in an incoherent and paranoid manner. The Officers continued their attempts at communicating with this individual and eventually he came down from the roof on his own. Eventually, he was transported to the hospital for a mental health evaluation.

On February 13th, we received a call for a suspicious package found in an alleyway on Albion Street. The box was wrapped in tape with exposed wires and was left adjacent to an apartment building. Officer Doran and K-9 Luna responded to the scene and began an investigation. K-9 Luna is trained in Explosives and Firearm detection through the Bureau of Alcohol, Tobacco, and Firearms and Explosives (ATF). The team cleared the area of any pedestrians and conducted a security sweep of the alleyway.. The suspicious package was determined to be a large battery pack that was left for disposal. The battery pack posed no threat.

On February 20th, officers responded to the downtown area for a report of an adult female that had passed out. Upon arrival, officers observed the female on the ground by the entrance to a parking lot. They immediately began CPR and observed signs and symptoms of a drug overdose. Officers quickly administered Narcan and the victim regained consciousness. Care was transferred to Cataldo Ambulance and the victim was transported to the hospital.

During the arctic blast that swept through in early February, our Clinician Jennifer and Recovery Coordinator Tracy went above and beyond to assist some of our residents with housing issues. They were able to assist with temporary shelter at local hotels for some of those in need. Their efforts are ongoing and both are a tremendous asset to our mission.

On February 15th, Sergeant Shawn Conway and Officer Kelley Tobyne, two of our certified car seat technicians, assisted dozens of individuals by installing and offering new car seats for no cost. These seats were obtained by a recent highway safety grant. This continues to be one of our most popular programs with all of our technicians maintaining a busy schedule of seat installations. This was another successful event and we appreciate their efforts throughout the year.

Congratulations to Officer Michael Gover for being selected for the most recent “Officer of the Quarter” award for his overall performance. Officer Gover joined the department in 2020 after serving as a corrections officer with the Middlesex Sheriff’s office for many years. He displays a positive attitude and is a team player. He is dedicated to keeping our roadways safe and has been responsible for numerous proactive drunk driving arrests over the past several months.

Respectfully Yours,

A handwritten signature in black ink, appearing to read "Steven A. Skory". The signature is fluid and cursive, with a large, stylized "S" at the beginning and a long, sweeping underline.
