## WAKEFIELD POLICE DEPARTMENT OFFICE OF THE CHIEF

One Union Street, Wakefield, Massachusetts, 01880

### **June 2019 Highlights**

On June 4<sup>th</sup> officers were dispatched to a residence on Hart Street to serve a court order on a male party that was suffering from alcohol-related issues and was making suicidal statements. Upon arrival, they made their way to the rear of the property and located the subject next to a shed. He immediately yelled at officers that he was not going with them. Before they were able to use de-escalation techniques, the male party fled on foot and into the woods. Detective Ken Silva made his way to the area in an unmarked police vehicle and set up surveillance. Shortly thereafter he observed the male party walking across Valley Street. He was able to approach the male and continue with the conversation. The subject was secured without further incident and transported to Malden District Court for further evaluation.

On June 5<sup>th</sup> officers were dispatched to a residence for a report of an out of control male juvenile that was presenting mental health-related episodes. Upon arrival, they were let in by the parents and immediately observed the male party breathing heavily, sweating profusely, and acting in a belligerent manner. Several attempts to calm him down were ineffective. The male then struck his father and ran towards the rear of the home. Officer Lyons was able to act quickly and stop him before he was able to get outside. After a brief struggle, he was able to control the 17 year old before he was able to cause injury to himself or others. This erratic and belligerent behavior continued as they attempted to get him into an ambulance. Following a significant period of time, they were able to calm him down and bring him to the hospital for further evaluation. A follow-up was conducted by our clinician Jennifer.

On June 6<sup>th</sup> we received a report from Lynnfield Police that there was an erratic operator heading into Wakefield on Vernon Street, stating that a dark-colored sedan was all over the road. Sergeant Joe Anderson was in the area and attempted to conduct a stop. The vehicle continued and took a right hand turn onto Lawrence Street where it struck a curb and continued onto the sidewalk before coming to a stop. As Sergeant Anderson exited his cruiser the sedan started to move again. He screamed for the male operator to stop and shut the car off, however he did not respond. Concerned for the safety of the operator and others, Sergeant Anderson reached into the vehicle, pulled the operator out, and activated the emergency brake as he was not able to shift gears into park at that time. After further investigation, the male party was taken into custody and charged with OUI Liquor, OUI Drugs, and Negligent Operation.

On June 6<sup>th</sup> I had the opportunity to attend the graduation of the “Keep Me Safe” safety class for several of our youth at the Lucius Beebe Memorial Library. This was a great opportunity to meet all of these highly successful classmates and congratulate them on a job well done. We greatly appreciate all of the hard work that the staff puts into this very important program.

On June 8<sup>th</sup> Officer Jeanette DeMasi assisted with the “Cruiser Convoy” to the Special Olympics held at the Harvard University Athletic Fields. Police cruisers from around the state all meet up at various locations and make the trip together into Boston. This is part of the “Law Enforcement Torch Run” that is a year-round fundraising and awareness campaign for the Special Olympics.

Congratulations to our clinician Jennifer Waczkowski for winning the "Clinical Collaboration with Law Enforcement Award" at this year's Massachusetts Department of Mental Health Law Enforcement Conference. This is a prestigious award that is given to one clinician each year at the statewide conference. Jennifer plays a significant role in our day to day operations, and is in many ways the unsung hero of our Department. Although her impact is one that does not always show up in a statistics report, we are able to see the positive impact that she has in our community each and every day.

From June 24-28 our School Resource Officers Mike Pietrantonio, Kelley Tobyne, and Jason Skillings supervised a full-week youth summer camp that included “RadKids” training. Students were taught many safety skills from this nationally recognized program, which teaches, trains, and empowers children with real skills so they can recognize, avoid, resist, and if necessary escape violence or harm. Kids were learning and building each day, culminating in a final physical test where they would have to use verbal and defensive skills to break free from a potential abductor and run to a parent. A tremendous amount of credit goes out to our School Resource Officers for the many hours of preparation that goes into this type of curriculum.

The month of June was my first full month serving as Police Chief. It was a busy month as we finished the fiscal year and prepared for the July 4<sup>th</sup> celebration. We look forward to July and the nice weather.

Respectfully Yours,

A handwritten signature in black ink, appearing to read "Mark C. Shing", with a stylized flourish at the end.
