WAKEFIELD POLICE DEPARTMENT OFFICE OF THE CHIEF

One Union Street, Wakefield, Massachusetts, 01880

March 2020 Highlights

On March 4, Officer Jeanette DeMasi was monitoring traffic on Lowell Street when she observed a white Honda Civic that had illegal aftermarket fog lights. She ran a registry check of the license plate which came back to a green Acura TL. She was able to catch up to the vehicle in the area of Walden Road where she conducted a stop. As she spoke with the male operator, Officer Carman observed an open beer can in the area of the passenger. Further investigation revealed that the vehicle was uninsured, improper plates had been attached and the operator did not have a valid license. The operator is facing multiple motor vehicle charges.

On March 8, Officer DJ Morales was monitoring traffic on North Avenue when he observed a grey Chevy Equinox traveling at a speed of 45 MPH in a 30 MPH zone. He conducted a stop in the area of Prospect Street and approached the vehicle. He spoke with the male operator who advised that he did not have a valid license or registration. Further queries revealed that the vehicle was not properly insured. The operator is facing several motor vehicle offenses.

On March 10, officers were dispatched to the Produce Connection at 96 Audubon Road for a report that an employee had stabbed another employee after an argument and fled the area on foot towards the end of Audubon Road. Officers quickly set up a perimeter and spoke with key witnesses. K-9 units were requested as well as the Massachusetts State Police Air Wing. Unfortunately due to poor visibility, the Air-Wing was unable to deploy. However, two K-9 units arrived quickly and began a search that was supported by Officer Matt Chambers. After walking through a thick and deep marsh area, the suspect was located and taken into custody without incident. The State Troopers and Officer Chambers were soaked and extremely cold as they exited the area. Job well done by all in a very difficult and dangerous situation.

On March 19, we received a report from a mother who reported her two daughters were taken by their father who does not have parental custody. Officers quickly began attempts to locate the father. Within a short period, they were able to make contact with the father and were able to have him agree to return the children to the mother at our Public Safety Building. The transfer was completed without incident and the case is still being worked through.

We would like to thank the Wakefield Alliance Against Violence for another great “White Ribbon” event this year. This always brings to light the extremely important topic of domestic violence, something that we strive to reduce each year. With the efforts of Officer Amy Rando, our entire staff, and our partnership with RESPOND, we are always working to provide the best support possible for all victims.

We would also like to thank the Human Rights Commission for a powerful “International Women’s Day” panel discussion. All of the speakers were excellent and were able to speak from diverse backgrounds. They were able to communicate many of the issues and challenges that remain in society today, while at the same time articulating what has worked for them to overcome some of these barriers.

Finally, we have worked diligently and carefully through the current Covid-19 pandemic. This is not an easy time for anyone, especially for nurses, doctors, and first responders. Our officers have handled the situation extremely well so far. We will get through these challenging times while continuing to meet the essential needs of our community. There has been a tremendous amount of cooperation from our citizens and we greatly appreciate all of their support.

Respectfully,

A handwritten signature in black ink, appearing to read "Steven A. Skory". The signature is fluid and cursive, with a large, stylized "S" at the beginning and a long, sweeping underline.
