Monthly Report for March 2022

Prepared by Sergeant Jon P. Burnham

*Steven A. Skory*  
*Chief of Police*

## WAKEFIELD POLICE DEPARTMENT OFFICE OF THE CHIEF

One Union Street, Wakefield, Massachusetts, 01880

### **March 2022 Highlights**

On March 2<sup>nd</sup>, Officers were dispatched to a residence for a report of an overdose. Officers were met by a mother who advised that she believed her adult son, who has struggled with drug addiction, was under the influence. Officers spoke with the male party and talked to him about going to the hospital for a medical evaluation. He voluntarily walked out with the officers and entered the ambulance. After a few moments, ambulance personnel reported the male had struck one of the paramedics in the shoulder area and run from the ambulance. Officers were able to locate him a short distance away, but he was now volatile and belligerent. The male was secured and transported to the hospital without further incident. He is facing one Assault and Battery charge through Malden District Court.

On March 3<sup>rd</sup>, Officers were dispatched to a residence for a disturbance between a mother and teenage son. Upon arrival, Officers spoke with the mother who advised that they were in a verbal argument over her son not following rules at home or school. The male subject has emotional issues and she was growing more concerned for his wellbeing. Officer Shawn Conway began speaking with the son and after a short while he was able to establish a rapport. They went for a walk around the neighborhood and the two were able to discuss the issues that he was facing and some ways to help mitigate the situation at home and school. He returned home without issue and remained at the residence for the evening with

no additional calls. Follow-up services were offered by our clinician.

On March 5<sup>th</sup>, Sergeant Matt Powers was traveling Southbound on Main Street when his attention was drawn to a vehicle in the opposite lane due to the slow speed it was traveling. He ran a check of the registration which showed a status of "Stolen" on a 2021 Toyota Camry. He reversed direction and attempted to get behind the vehicle as it made a right turn onto Nahant Street. The vehicle then made a right turn onto Stark Avenue and accelerated to the end of the road. Two male occupants fled on foot into a wooded area after the vehicle came to an abrupt stop. Officers set up a perimeter and Officer Doran responded with K9 Luna where they began a track. They were able to track to the area of Kathleen Drive at which point the track was lost. The vehicle that had been stolen out of Malden was returned in good condition to the registered owner.

On March 11<sup>th</sup>, Officers were dispatched to a residence for a report of a female party that was talking about self-harm. This was reported by her sister who was on the phone with her while she made concerning statements. It was also reported that this individual has concerns about individuals who impersonate police and was apprehensive if they came to the door. Officers responded and were able to calm the situation and quickly alleviate her concerns. They were able to establish a positive dialogue with her and discussed options. She was eventually transported safely to the hospital for evaluation.

On March 19<sup>th</sup>, Officers were dispatched to an apartment for a report of a female party with mental health issues that was suicidal and had cut her wrist with a razor and was bleeding heavily. They arrived on scene and met the victim and immediately provided medical care. At the same time, they were verbally de-escalating her and she became cooperative throughout their interaction. They were able to talk to her providers and she was

transported to the hospital without incident. Follow-up services were provided.

K9 Luna and her handler, Officer Ryan Doran, recently completed ten weeks of intensive training in Explosive Ordinance Detection (EOD) at the Boston Police K9 Academy. Luna completed and passed the “National Odor Recognition Test” known as NORT - a comprehensive certification by the Bureau of Alcohol Tobacco and Firearms (ATF). It is a federal certification where the K9 must differentiate between distractor odors while correctly identifying and indicating explosive odors. The odors range from military-grade to readily available ones such as black powder and smokeless gun powder. The ATF also provided training on multiple "homemade explosives", increasing Luna's ability to identify threats and keep our citizens safe. In addition to the above, Luna also completed and passed the United States Police Canine Association “USPCA” EOD certification.

Respectfully Yours,

A handwritten signature in black ink, appearing to read "Steven A. Skory". The signature is fluid and cursive, with a large, stylized "S" at the beginning and a long, sweeping underline.

Steven A. Skory  
Chief of Police
