October 2019 Highlights

On October 3rd Officers were dispatched to a residence on Preston Street for a report of an adult female exhibiting an altered mental status. Upon arrival, they met with the mother and husband who advised that the individual was showing signs of delusion and not mentally well. The female was reported to be in a vehicle at this time. Officers observed a black sedan pass by the location which matched the description. They were able to stop her briefly, however, she quickly fled heading towards Salem Street. Shortly thereafter two officers that were working a road construction detail were able to conduct a second stop on the vehicle. While this continued, Officer Matt Chambers who is a member of our CIT Team was able to speak with the Elliot Crisis Team and obtain an order for evaluation. The female then attempted to flee again while in her vehicle, and officers were forced to break a window to remove the ignition key. Fortunately, this only resulted in minor injury to the officer and the female was transported to the hospital for further evaluation.

On October 4th Officers were dispatched to the area of #595 North Avenue for a report of a motor vehicle crash. Upon arrival, a witness reported observing a white male run from the involved vehicle that had struck a telephone pole. Officer Joe Lyons was assigned to the patrol shift and was operating one of our motorcycles. He began to check some of the dirt paths that run along that area and observed a shirtless white male abruptly stand up from a crouched position and start running southbound along the shoreline. He then ducked in behind an area of heavy brush. The male popped out again and began running. Officer Lyons continued to yell verbal commands to stop and after a foot pursuit, he was able to tackle the suspect and bring him to the ground. The suspect continued to struggle and attempt to flee. After back-up arrived they were able to safely secure this individual and take him into custody. The male party out of Lowell is facing several charges including Use of a Motor Vehicle without Authority, Leaving the Scene of a Crash, and Resisting Arrest.

On October 5th the Wakefield Alliance Against Violence held its annual "Race To End Domestic Violence." It was perfect weather for another great fundraising event for this extremely important cause. Once again we would like to especially thank Officer Amy Rando for her unparalleled work in this area and for spending a countless number of hours organizing this race.

On October 17th we were able to graduate another successful RAD (Rape Aggression Defense) training class. This is one of our most popular programs, and we will continue to run as many classes as we can to help meet the needs of our community.

On October 21st School Resource Officer Kelley Tobyne was notified by Galvin School Administration that a 5th-grade autistic student had just been reported missing from her residence on Plymouth Road during the morning hours. We immediately responded to the neighborhood and began canvassing the area and setting up a perimeter as we spoke with the parents and neighbors. It was learned that this type of situation had occurred on previous occasions, however, this was the longest period of time and that is why the parents made the necessary notifications. After not being able to locate the child with our initial search, additional resources were requested including the Massachusetts State Police Air Wing as well as the NEMLEC K-9 Team. Fortunately, the child returned home after being out in the wooded areas and observing police looking for her. We are grateful that this situation had a positive conclusion and appreciate the efforts of everyone involved.

On October 22nd Officers were dispatched to a residence on Lassell Street for a report of a missing 77-year-old male with dementia that had just moved here from Nevada. A family member reported that he had arrived for a visit and then left abruptly and was not familiar with the area. Officers immediately began a search and put out notifications to area departments. We were able to go through proper channels with his phone provider that began to show GPS location responses in neighboring cities and towns. We continued to monitor this activity which resulted in him being located safely by Revere Police on an MBTA bus in their city.

On October 26th Sergeant Kevin McCaul, Officer Amy Rando, and Officer Kelley Tobyne assisted at the "Healthy Living Expo" at the Galvin Middle School. They were able to provide free car seat installations and also collect unused prescription medications. This was a very successful event put on by the Chamber of Commerce and we appreciate the efforts of all involved.

We would like to congratulate Officer Michael Pietrantonio for being selected as our “Officer of the Quarter.” Officer Pietrantonio is a Veteran of the United States Air Force and began with the Wakefield Police Department in 2008. He continued several years of active duty which included a deployment to Iraq during “Operation Iraqi Freedom.” He has been assigned as a School Resource Officer to Northeast Metro Tech since 2012. He has investigated several challenging cases and is always extremely thorough in his work. Officer Pietrantonio is always available to anyone in need of assistance and works tirelessly at a very busy high school.

Respectfully Yours,
