## WAKEFIELD POLICE DEPARTMENT OFFICE OF THE CHIEF

One Union Street, Wakefield, Massachusetts, 01880

### **October 2021 Highlights**

On October 1<sup>st</sup>, Officers were dispatched to the area of Main Street and Centre Street for a vehicle obstructing the sidewalk. Upon arrival, they observed a vehicle with a female operator that was partially blocking the crosswalk and sidewalk. Officers attempted to speak with the female, but she was displaying rapid mood swings and appeared to be suffering from a mental health episode. While trying to assist the female operator, a male and female were also present and interfering with the officers. This couple was creating a disturbance and trying to prevent Officers from helping the woman in distress. This created a challenging environment for all involved and required de-escalation tactics for several individuals at once. Officers were able to calm the situation and the female party was transported to the hospital for an evaluation without incident. Our Family Services Officer and clinician were able to follow up with a family member and additional supports were offered.

On October 5<sup>th</sup>, Officers were dispatched to Richardson Street for a hit and run crash involving a parked vehicle. One of the callers described the suspect vehicle as silver in color and having some type of spoiler on the back. Officers arrived on scene and spoke with the owner of the parked car, who stated he heard the crash but did not see the vehicle that fled. Several minutes later, Sergeant Michael Ryan located a 2011

Kia Forte parked behind the Wakefield Bowladrome with heavy front-end damage. The vehicle was still warm and the headlights were illuminated. The operator of the Kia had fled on foot and abandoned the vehicle. The vehicle was towed and the investigation continued. The following day, investigators were able to identify the operator of the Kia as a male resident of Wakefield. The vehicle operator was summonsed to Malden District Court for Leaving the Scene of a Property Damage Accident and Unlicensed Operation of a Motor Vehicle.

On October 11<sup>th</sup>, Officers responded to an address on Chestnut Street for a call from a female resident who was reporting her son had broken into her apartment. The caller had an active restraining order against the son who has a history of violence and mental illness. The caller was not at the residence at this time and it was unknown if the intruder was still present. Officers arrived at the address and conducted a check of the area before proceeding to the front door. They were able to hear movement inside the apartment as they stood on the threshold. When the male realized the police were present, he attempted to barricade the door. Officers were able to push through the barricade and secure the individual while he resisted arrest. The subject was taken into custody without injury and transported to the station for booking. He was charged with Breaking & Entering, a Restraining Order Violation, Intimidation of a Witness and Resisting Arrest.

On October 16<sup>th</sup>, many of our officers participated in the 6<sup>th</sup> Annual Wakefield Alliance Against Violence (WAAV) "Race to End Domestic Violence." A significant amount of money was raised through donations, registration fees and a raffle. Thank you to Officer Amy Rando for once again leading the efforts for this very important cause. We stand with all victims, especially those who have suffered the horrors of domestic violence and we look forward to the 7<sup>th</sup> annual race next year.

The Wakefield Police Department has been awarded a child car seat grant from the State of Massachusetts for many years. We have been a strong partner with the Executive Office of Public Safety in this area and have hosted multiple trainings. Over the past two years, we received grant awards of \$5,000 in 2020 and \$7,500 in 2021. Car seats are ordered and shipped to us and provided to families at no cost. Wakefield PD currently has three Police Officers who are nationally certified Child Passenger Safety (CPS) Technicians. The CPS Technician Officers distributed and assisted with the installation of 63 grant-funded child seats during the month of October 2021.

We also received a traffic safety grant from the Executive Office of Public Safety and Security for bicycle safety (\$1,200) and a traffic statistics data collector (\$4,770). We plan on hosting a bicycle safety course for our local youth in the spring and will be giving away bicycle helmets to children who attend the course.

Respectfully Yours,

A handwritten signature in black ink, appearing to read "Steven A. Skory", with a stylized flourish at the end.
