

Public Participation Policy

The Town Council (the “Council”) recognizes that it both represents and is accountable to all citizens of the Town. It is the Council’s policy to make every effort to strengthen communications with citizens. Measures shall be instituted to increase citizen participation, encourage citizen input into governmental decision making and keep citizens informed of all actions contemplated or taken by the Council and the Town Meeting that will affect them. To this end the following steps shall be taken:

1. Members of the general public are welcome to address the Council at its meetings during the public participation session of the meeting. Those wishing to speak must sign in prior to the start of the meeting and can address the Council on any issue within the Council’s purview. The total amount of time allotted for public participation shall be fifteen (15) minutes. Immediately prior to the start of the meeting, the Town Administrator shall divide 15 minutes by those who have signed in for public participation. This shall designate the amount of time allotted each speaker. However, in no event shall any speaker be allowed to address the Council for more than a total of three (3) minutes. The total time allotted for public participation may be increased by a vote of the majority of the Council members present or in the discretion of the Chair. The Council will not engage in dialogue, but will give any remarks made appropriate consideration. Persons who choose to speak during the public participation segment must behave in a peaceable and orderly manner.
2. An individual citizen or group of citizens may request an appointment before the Council by contacting the Town Administrator’s Office, at least one week in advance of a scheduled meeting, stating the reason for the appearance and the action desired and naming a spokesperson for the group. If granted an opportunity to present by the Chair, participants shall be given the opportunity to make a reasonable presentation of information not yet available to the Council through a spokesperson and to express opinions and ask for pertinent information. Background data shall be prepared by the boards, committees, commissions, councils and departments “concerned” prior to the scheduled appointment with the Council insofar as possible. This is designed to ensure that all parties involved will have a reasonable understanding of the subject matter. Citizens are required to have written materials submitted for the Council’s meeting packet in accordance with established procedures.
3. To the degree possible, persons who will be directly affected by proposed Council discussion and/or action shall be notified by the Town Administrator’s Office of the date and time of meeting at which the matter will be discussed or acted upon by the Council.
4. All other citizen questions and complaints are to be referred initially to the Town Administrator’s Office, or the appropriate Town department otherwise responsible for action or recommendations.
5. The Council shall endeavor to use every means possible to keep the public informed via print media, cable TV and the Town website.

Mehreen N. Butt, Chair
Town Council
Town of Wakefield
1 Lafayette Street
Wakefield, MA 01880

RE: **Proposed 40B—32 Nahant Street
Wakefield, MA
MH ID No. 1183**

Dear Councilor Butt:

MassHousing is currently reviewing an application for Site Approval submitted by 32 Nahant Street, LLC (the Applicant). The proposed development will consist of 32 units of rental housing on approximately 1.65 acres of land located at 32-32A & 36 Nahant Street in Wakefield, MA.

The site approval process is offered to project sponsors who intend to apply for a Comprehensive Permit under Chapter 40B. MassHousing's review involves an evaluation of the site, the design concept, the financial feasibility of the proposal, and the appropriateness of the proposal in relation to local housing needs and strategies. As part of our review, we are soliciting comments from the local community, and we would appreciate your input. You also may wish to include in your response, issues or concerns raised by other Local Boards, officials, or other interested parties. Pursuant to the new Massachusetts General Laws Chapter 40B regulations (760 CMR 56.00) your comments may include information regarding municipal actions previously taken to meet affordable housing needs such as inclusionary zoning, multifamily districts adopted under G.L. c.40A and overlay districts adopted under G.L. c.40R. Your comments will be considered as part of our review.

We have been informed by the Applicant that the Town has received a copy of the application and site plans for 32 Nahant Street. Please inform us of any issues that have been raised or are anticipated in the Town's review of this application. We request that you submit your comments to this office by Tuesday, June 6, 2023, so we may process this application in a timely manner.

During the course of its review, MassHousing will conduct a site visit, which Local Boards, as defined in 760 CMR 56.02, may attend. The site visit for 32 Nahant Street has been tentatively scheduled for Thursday, May 18 at 1:30 pm. Please notify me promptly if any representatives of your office or if other Local Boards plan to attend the scheduled site visit.

Please note that if and when an application is submitted for a comprehensive permit, assistance is available to the Zoning Board of Appeals (ZBA) to review the permit application. The Massachusetts Housing Partnership's (MHP) Ch. 40B Technical Assistance Program administers grants to municipalities for up to \$15,000 to engage qualified third-party consultants to work with the city's ZBA in reviewing the Chapter 40B proposal. For more information about MHP's technical assistance grant visit MHP's web site, www.mhp.net/40B or e-mail MHP at emcgurren@mhp.net.

If you have any questions, please do not hesitate email me at mbusby@masshousing.com.

Thank you for your assistance.

Sincerely,

Mike Busby
Relationship Manager
